

The TEMPO Mentor Award honors the power of Mentoring and Education.

Since 1989, TEMPO Milwaukee has honored mentors who support our businesses, our communities, and the workforce of tomorrow. By placing these individuals and corporations in the spotlight, we encourage the continuation of positive mentoring and the leadership and education of women in Milwaukee.

Each year, TEMPO provides **each of the two winners** of the TEMPO Mentor Award a **\$5,000 scholarship** to be used for their education with an accredited higher educational institution of their choice within Southeast Wisconsin. These two scholarships are awarded to female students in their third year of college. The recipients embody the spirit of TEMPO Milwaukee, showing positive leadership attributes, good grades and willingness to give back. Since its inception, the TEMPO Mentor Award has donated more than **\$120,000** in scholarships toward higher education to young women in Southeast Wisconsin!

Becoming a sponsor of the TEMPO Mentor Award is an opportunity to shape this legacy, to empower young women in the pursuit of strong and dynamic futures. At the event, you clearly see the benefit that TEMPO Milwaukee scholarships provide to the community and the young collegiate women of tomorrow.
