STRONG VOICES RISING

A single voice hitting the right note can shatter glass.

Many voices build on that timbre and strength. They resonate. They create a vibration that can shake foundations. Change expectations. Many voices ring through, and ring true.

TEMPO is a group of women who have spoken up, risen above and defied conventions to succeed. And we are committed to helping others do the same. We are each bold, strong, smart and uniquely powerful. Together, we are unstoppable.

TOGETHER. OUR VOICES RISE.
AND THE WORLD RISES WITH US.

About Us

TEMPO

TEMPO is a professional women's organization that connects its 450+ members who hold CEO, executive and senior leadership positions with one another and the community. Its mission is to further the impact of women leaders in Milwaukee. TEMPO provides members with the opportunity to network with leaders and future leaders and enhance their awareness of issues and trends having an impact on Milwaukee and the business community. TEMPO serves its diverse membership and community through educational programming, networking opportunities, relationship building, and mentoring, with the goal of empowering women to achieve and sustain leadership roles.

In 2015, TEMPO introduced its Emerging Women Leaders (EWL) initiative. EWL is composed of nearly 400 of Milwaukee's rising stars and high-achievers, locally recognized, community-minded change makers and inclusive up-and-coming leaders. They are future TEMPO members and represent the next generation of leadership in their industries, functions and city. EWL members have access to a multitude of benefits including professional development, community involvement, and social and networking events. EWL members can also receive individual mentoring by TEMPO members and/or from their peers in a small group setting.

About the Event

2024 marks 19 years of TEMPO's signature event – The Leadership Event. The Leadership Event highlights women and men in leadership, including their empowering and significant success stories. This event provides an opportunity for attendees to receive inspiration and guidance from women and men in leadership roles as they have navigated the sometimes rocky and uphill battles and offer the perspective from someone who has "been there, done that."

The Leadership Event provides an opportunity for attendees to enhance their leadership skills with key takeaways they can bring back and incorporate into how they lead their organizations and the community. TEMPO believes women are the driving force behind successful companies and communities, and through the Leadership Event provides another opportunity to build alliances and discover how other successful leaders have achieved their goals.

The annual event provides leaders in our community the opportunity to gather around topics that propel leadership skills to the next level. The event attracts approximately 800-900 business professionals, 85% female, 15% male.
