STRONG VOICES RISING

A single voice hitting the right note can shatter glass.

Many voices build on that timbre and strength. They resonate. They create a vibration that can shake foundations. Change expectations. Many voices ring through, and ring true.

TEMPO is a group of women who have spoken up, risen above and defied conventions to succeed. And we are committed to helping others do the same. We are each bold, strong, smart and uniquely powerful. Together, we are unstoppable.

TOGETHER, OUR VOICES RISE.
AND THE WORLD RISES WITH US.

About Us

TEMPO

TEMPO is a professional women's organization that connects its 450+ members who hold CEO, executive and senior leadership positions with one another and the community. Its mission is to further the impact of women leaders in Milwaukee. TEMPO provides members with the opportunity to network with leaders and future leaders and enhance their awareness of issues and trends having an impact on Milwaukee and the business community. TEMPO serves its diverse membership and community through educational programming, networking opportunities, relationship building, and mentoring, with the goal of empowering women to achieve and sustain leadership roles.

In 2015, TEMPO introduced its Emerging Women Leaders (EWL) initiative. EWL is composed of nearly 400 of Milwaukee's rising stars and high-achievers, locally recognized, community-minded change makers and inclusive up-and-coming leaders. They are future TEMPO members and represent the next generation of leadership in their industries, functions and city. EWL members have access to a multitude of benefits including professional development, community involvement, and social and networking events. EWL members can also receive individual mentoring by TEMPO members and/or from their peers in a small group setting.

About the Event

TEMPO's Monthly Program Series is one of our highest rated member benefits and the reason our members continue to renew with us each year. Our Program Meetings are held seven times per year and feature high-caliber speakers delivering content that impacts, inspires and educates our members and guests. Members attend our program meetings #1 for the networking opportunities #2 for speaker and/or topic.

Our June Program will feature a keynote presentation from Robin DiAngelo, who long before the widespread success of the 2018 book *White Fragility: Why It's So Hard for White People to Talk About Racism*, was breaking with white solidarity and writing, speaking, and teaching on the relationship among white supremacy, structural racism, and white identity. In this discussion, DiAngelo will provide her latest research and share a selection of her essays leading up to *White Fragility*. Speaking as a white person to her fellow white people, her conversation seamlessly blends the personal with the political. The result is an engaging and provocative analysis of the sociopolitical forces of race that shape our lives. DiAngelo will show how racism infuses our society and its institutions; it is a system that goes well beyond individual intentions or conscious acts of meanness.

Following the presentation, Ana Simpson will lead a moderated discussion with DiAngelo.
